

Registration & Orientation Programme for International Students

Wednesday 13th - Saturday 23rd September 2023

We look forward to welcoming you to Bangor and have put in place an orientation programme which will enable you to get to know the University, meet staff, and other students. Majority of events will be face-to-face, and this programme complements the University central programme, which will be available in August. This will explain how to fully enrol at the University, as well as giving details of events organised by your School.

It is very important that you check your Bangor email address when this is set up, as all information regarding arrivals, welcome and registration, as well as information from your academic School during your time at the University will be sent to that email. For more information and advice on all aspects of living in Bangor and the support provided by the University, see: <http://www.bangor.ac.uk/international/support/>
